

WOW Your Valentine

We've asked three of our favorite local cocktail gurus to give Cupid a little help this year. Whip up one of these drinks at home, and surprise your sweetie!

Don't consider yourself a master mixologist (or still searching for that special someone)? Head to **The St. Regis Atlanta** between Feb. 11-14 to pay a visit to its Love Potion Shot Station. The \$10 Love Potion shot is a tantalizing blend of Ketel One Vodka, fresh strawberry and cranberry juices, Godiva liqueur, and a rose petal garnish. And Feb. 1-14, **Whiskey Park** and **Whiskey Blue** are serving up the Sweet Tart—a sinfully sweet blend of Stolli Raspberry, strawberry jam and champagne. Bottoms up! —LISA HORTEN
