Diver scallops with crunchy spring peas at Paces 88

## PACES 88

**WHY:** Swanky and refined, Paces 88 at Buckhead's St. Regis Hotel screams pedigree, A-listers and cash. But it didn't make our list because it dazzles and glimmers. No, we love it because the food is to die for. The oft-missed Food Studio's chef de cuisine Mark Alba is in the kitchen, and not a bite disappoints. For diners seeking a new spot where they can leisurely savor a fine meal with detailed service in elegant surroundings, Paces 88 delivers.

**WHERE:** 88 W. Paces Ferry Road. 404-563-7910. [www.paces88.com](http://www.paces88.com).
