

#### EMPIRE SUITE

The 2,800 square-foot Empire Suite surrounds guests with every possible luxury, and the potential for many more through the services of a bespoke St. Regis Butler. With a full kitchen and elegant dining area, a piano and a fireplace, the suite is a natural venue for intimate gatherings, whether cocktails or a sit-down dinner.

Surrounded by French doors and several small Juliette balconies, the suite is open and airy. Decorated with fresh flowers, filled with original artwork and architectural drawings and furnished with plush sofas and armchairs, it is as welcoming as any fine private residence. Enjoy the ease and privacy of working out in the suite's TechnoGym-equipped exercise room, relax in a deep soaking tub in a white marble bathroom or simply unwind with music or a movie. From the latest technologies to the mahogany swirl, leather wrapped writing desk and chair, any and all desires are met.
