

#### SUPERIOR GUESTROOMS

From its macassar ebony furnishings and crown moldings to its soothing color palette, the 440-square foot Superior Rooms define artful residential style. Hues of cream, taupe and mineral green create a soothing space made even more inviting with original artwork and floor-to-ceiling windows.

Superior Room guests have the choice of one supremely comfortable king bed or two queen beds, each with a plush down comforter, luxurious linens, plump pillows and a luxe throw. These rooms also feature wi-fi high-speed Internet access, a well-stocked mini bar, technologically advanced sound system with an iPod SoundDock, a sleek 37-inch flat-screen LCD television, a writing desk and chair and in-room safe. Contemporary luxury meets modern technology in the bathroom, where the cool tones of white marble walls, double-vanity and custom fixtures surround two large mirrors. The intelligent mirror features a 17-inch LCD television behind the glass.
